**DETAILED ACTION**

***Allowable Subject Matter***

1. Claims 1-3 are allowed.
2. The following is an examiner's statement of reasons for allowance: none of the prior art either alone or in combination disclose or teach of the claimed combination of limitations to warrant a rejection under 35 USC 102 or 103. Specifically, in reference to independent claims 1 and 3, none of the prior art either alone or in combination disclose or teach of the claimed ophthalmologic apparatus specifically including, as the distinguishing feature(s) in combination with the other limitations the claimed "a plurality of lookup tables, setting means for setting a first lookup table of the plurality of the lookup tables in the moving image observation operation, and setting a second lookup table of the plurality of the lookup tables in the static image taking operation, and gradation conversion means for gradationally converting the digital data by using the lookup table set by the setting means, wherein the first lookup table is used so as to enhance a region of a blood vessel on a retina image formed on the basis of a histogram calculated from the digital data."
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
